

▶ WELCOME PURCHASE AGREEMENT

Congratulations on writing the Purchase Agreement for your new home!

You will hear from us throughout the building of your home in several ways:

- Periodic emails from our marketing department with reminders and important facts to know. These will include flyers and videos to read and watch
- Weekly communication by phone from your Field Superintendent once your home has started.

We recognize that communication is the most important element that we can provide during your build journey.

MEET OUR SALES MANAGERS AND SUPPORT TEAM:
