

▶ CONSTRUCTION HOMEOWNER MEETING 1

This is your first in-person meeting and opportunity to meet your Field Superintendent. This meeting will occur at foundation prior to construction starting on your home. Occasionally due to scheduling, a home may start framing before this meeting occurs. This will be the time to review your Final Selection Summary with the Builder, Plot Plan review, Floor Plan review and overall exceptions on the construction process.

MEETING LENGTH:

Typically, this meeting lasts for 2 hours.

AGENDA ITEMS REVIEWED:

- Final Selection Addendum
- Plot Plan
- Architectural Prints
- Construction Disclosure List
- Build Process Timeline
- Private Inspections Guidelines
- Communication/Questions for Construction
- Avid Surveys

▶ CONSTRUCTION HOMEOWNER MEETING 2

This is an optional meeting that will occur at the mechanical stage of the build process. This meeting is your opportunity to walk through the home with your builder and to have an additional review of your selections prior to drywall.

MEETING LENGTH:

Typically, this meeting lasts for 45 minutes.

AGENDA ITEMS REVIEWED:

- Review electrical prior to drywall
- Walk home with Field Superintendent
