

▶ CLOSING/KEYS/ CONGRATULATIONS!

Congratulations!

We are now ready to deliver your home and meet you at the title company to close.

Please be sure to have your utilities transferred by the day of closing and any funds necessary to close on your home. Contact your Sales Manager if you have any questions about which utility companies service your neighborhood.

Additionally, you will need one form of picture ID, one must be a driver's license or a state issued ID.

Closings take place Monday through Friday. Your Lender and Sales Manager will work together to schedule your closing. If you have specific schedule questions, please direct those ahead of time to your Sales Manager.

Please contact Meridian Title prior to your scheduled closing with questions regarding:

- Funds (How much do I bring to closing?)
- Location (At what branch is my closing scheduled?)
- Wiring Instructions (Who sends me those details?)
